**OUTCOME OF THE 6-DAY (30 HOURS) ADD ON  
COURSE ON PUBLIC POLICY: NATURE &  
DIMENSIONS (18<sup>TH</sup> MARCH – 23<sup>RD</sup> MARCH)\**

The 6-day Add-On Course on "Public Policy: Nature and Dimension," held from 18th to 23rd March 2024, was successfully conducted at our college premises. The program brought together 16 distinguished resource persons and 60 enthusiastic students from our college and other institutions.

The course adopted a hybrid model of online and offline lectures, ensuring flexibility and accessibility for participants. Students engaged with a range of topics related to public policy, gaining insights into its nature and dimensions through expert-led discussions and interactive sessions. The course also emphasized active learning, requiring students to demonstrate their understanding through a written test and classroom presentations on the topics covered.

Students were awarded certificates of participation based on their performance in a written examination and classroom presentations. The diverse participation, innovative pedagogy, and multidisciplinary approach of the course enriched the academic environment, leaving students with a deeper understanding of public policy and its relevance in contemporary society.
