**Report on**

**Students' Satisfaction Survey (SSS) – 2023 – 24  
Conducted by Internal Quality Assurance Cell (IQAC)**

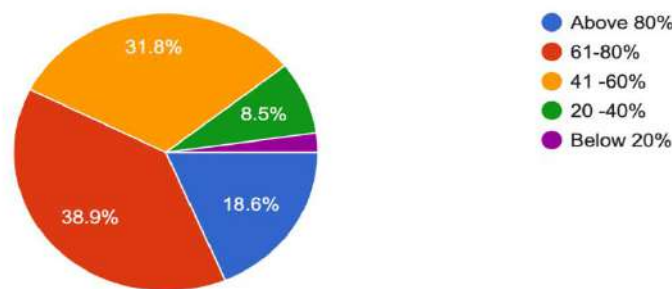

The SSS was conducted in online mode in the year 2023-24 for Semester 6 – the outgoing batch. The link was shared with the students of semester 6 and number of respondents were 355. As feedback was collected in Google Form the report was automatically generated. It was compiled by IQAC team and the report was generated.

In this feedback there is scale of 1 / 2 / 3 / 4, where 4 = excellent, 3 =good, 2 = satisfactory and 1 = not satisfactory. Certain questions were incorporated in the feedback form that required qualitative response. These responses are also recorded.

In response to question 5a (Have you ever approached any of your teachers for Career Guidance and Assistance) question 5b (If YES, what type of response did you get?) was a descriptive response. Majority students gave affirmative feedback with responses like – supportive, very helpful, positive, guided us, etc. However, some students said they never approached any teacher.

**25. Any additional Comment you would like to make**

- To improve campus space and premises also setup a proper canteen in the college and last at least arrange programs like social, freshers's and farewell properly with a helpful budget.
- . The teachers are good but the cultural programmes should be developed. The students aren't satisfied
- Improve the library books collection
- Make new class rooms , it's very much needed for the college
- The washrooms needs to be cleaned more and must have sanitary napkin in female washroom
- Canteen facility is very poor. Because when we have college canteen so why we will go outside to get some food. Next is union fee when we pay our semester fee then why we will give union fee because I am not in college union. Next is semester fee: every semester we pay an enormous amount. Because college includes some unnecessary amount.

- The college can be small and not so renowned but as a student of this college, I can say that the efforts given by our teachers and college is not less (if not more) than any other top colleges in Kolkata
- Throughout my three years here, this institution has been more than just a place of learning—it has felt like a comforting home. Within its walls, dedicated individuals have tirelessly nurtured us, guiding our growth with unwavering commitment. Among them, one person's efforts shine brightly, blurring the lines between educator and mentor with profound care and dedication. I am deeply moved by her steadfast devotion, which embodies the very essence of our departmental ethos. My fervent wish is for every student to experience such nurturing support. With heartfelt appreciation, I extend my deepest gratitude to you, Ma'am.

### An analysis of the report reveals the following –

- Students are satisfied with faculty.
- There is dissatisfaction with infrastructure like toilets, common room, and canteen.
- Special mention for facilities in Girls' toilets.
- Labs need to be upgraded with facilities.
- Number of classrooms still not sufficient to manage all classes.
- More books required in Library.
- Students need more career guidance support.
- There is a demand for more participation in cultural activities.
- Administration needs to improve in student interaction.
- Greenery of campus needs to develop.
