Report on AIDS Awareness Program

On the occasion of World AIDS Day, December 1st, 2023, the National Service Scheme (NSS) Unit of Khudiram Bose Central College organized an AIDS Awareness Program. The event aimed to educate students about the causes, symptoms, and prevention of AIDS, as well as to promote awareness and reduce stigma surrounding the disease.

Program Details

- Date: December 1st, 2023
- Time: 1:00 pm - 3:00 pm
- Venue: Room No. M1-8
- Speaker: **Dr. Amitabha Bhattacharya**, Doctor, Ex-Dy CMOH, KMC, PhD, and Working President, Students Health Home

Program Highlights

The program commenced with a welcome address by the NSS Unit, followed by a lecture by **Dr. Amitabha Bhattacharya**, with his extensive experience and expertise in the field, delivered a comprehensive and informative talk on AIDS, covering topics such as:

- Causes and transmission of AIDS
- Symptoms and diagnosis
- Prevention and treatment options
- Importance of safe sex practices and condom use
- Stigma and discrimination surrounding AIDS

The speaker also shared his personal experiences and insights, highlighting the need for awareness, education, and empathy in addressing the AIDS epidemic.

The program was interactive, with students actively participating in the Q&A session, seeking clarification on various aspects of AIDS.

Outcome and Impact

The AIDS Awareness Program was a resounding success, with over 70 students attending the event. The program achieved its objective of educating students about AIDS, promoting awareness, and reducing stigma surrounding the disease. The event also encouraged students to take an active role in promoting AIDS awareness and prevention in their communities.

Conclusion

The NSS Unit of Khudiram Bose Central College is committed to organizing such awareness programs, promoting health and well-being among students, and contributing to the community's overall development. The success of this event is a testament to the Unit's dedication and efforts in addressing critical health issues.
